

THE GOLD STANDARD

Hello PGRR

Here's a short summary of what's happened since our club Picnic in September.

- The website is going through some changes to make it easier to get information on it and making it a great place to pay your annual dues. Look for those changes in the next couple of weeks. we will be starting to put somethings on our website behind the firewall as we move forward.
- The picnic was a great success and the San Joaquin chapter of the Studebaker club joined us. More info in the summary on page 2.
- Santa Maria show is planned for May 19th and 20th 2023 at the Radisson Hotel in in Santa Maria. (see more on that event.)
- We are changing the dues structure beginning 2023. It will be \$35 a year which includes your annual AMCRC dues which are \$27 plus the PGRR due of \$8. It is important for us to maintain our affiliation with AMCRC and this way we become a 100% club which keeps our insurance current. Soon you'll be able to pay dues on the club website.. PGRRambler.org. You will need provide us with your AMCRC number if you have one. otherwise we will request a number for you when we pay the dues.
- enclosed you'll also find a list of proposed activities for the future (sorry we couldn't planning a planning meeting this year. Hopefully, we'll find a location in 2023.

Thanks again for your continued support and I look forward to seeing you at a future event.
